### WORK EXPERIENCE

#### Web Developer (2021 - Present)

##### SPLENDID RESEARCH (Hamburg, Germany)

Improved MOBROG's website UX/UI, making navigation smoother and content more engaging for users. (info Portfolio)

#### Software Developer (internship) (2020 - 2021)

##### ADDVALS (Brussels, Belgium)

I developed a software app using Elsa workflow, conducted security searches, and presented findings. Also, I created an MVP, designed a user-friendly website, and optimized the checkout page for more user clicks. (info Portfolio)

#### Power Apps Development (internship) (2019 - 2020)

##### SCHOLENGROEP (Brussels, Belgium)

I built apps with Power Apps, fetched user data from SharePoint, and added notifications via Power Automate. This created a robust app. Plus, I boosted page loading for quicker user interaction. (info Portfolio)
